Georgia Army National Guard - The Georgia Army National Guard is headquartered at Oglethorpe Army Base in Ellenwood, Georgia. Brigadier General Maria Britt commands the more than 11,000 men and women who comprise the force of the Georgia Army National Guard. The National Guard is America's oldest armed force—dating back to 1636—and the only branch that serves both the Federal and State governments. The Guard answers to both the president of the United States and the governors of their respective states and territories. This means that the National Guard can be mobilized any time natural disasters or other emergencies occur within America's borders, and also serve alongside U.S. combat forces in other parts of the world. Our missions range from combat infantry to engineering. **For information on the Benefits and Career Opportunities of joining the Army National Guard, visit our booth space at the career fair or call (678) 205-6584. Career Opportunities: Engineers, Officer, Enlistment, Warrant Officer, Judge Advocate General, Chaplin, Medical Careers**

Georgia Department of Labor - The Georgia Department of Labor provides a wide range of services to job seekers and employers. These include administration of Georgia's unemployment insurance, employment service, and vocational rehabilitation programs; provision of workforce information to the public and private sectors; inspection of boilers, pressure vessels, amusement park and carnival rides; and oversight of child labor issues. The Department of Labor is the state agency designated by the governor to lead the state's implementation of the Workforce Investment Act of 1998. To learn more about employment, go to: www.dol.state.ga.us.

Infinite Energy - Infinite Energy markets wholesale and retail energy products in an ethical and profitable manner. Infinite Energy grows the company by investing in quality personnel and quality business partnerships. Infinite Energy provides unparalleled customer service. Infinite has just been named one of the best 25 large companies to work for in Florida. Infinite's excellent work environment translates to excellent products, innovation and service to our customers. Infinite celebrates its 15th anniversary this year. From the humble beginnings of the two entrepreneurs who started this company, Infinite now employs 350 people and did over \$700 million in business in 2008. **Career Opportunities: Inside Sales Representatives (Georgia and Florida locations) Hourly plus commission, Full time, Paid training.** Visit: <http://www.infiniteenergy.com/careers/readJob.do?jobID=55>. Complete the "ISR Quest- On-Line questionnaire" (Page4) and turn it in along with your resume when you visit our booth space.

Investment Advisors International - Securities license preferred but not required - IAI is dedicated to one simple mission - to create financially independent families by growing and protecting their wealth through active money management. The Guardian Life Insurance Co. is currently looking for career minded sales driven professionals. As a licensed agent one will be responsible for scheduling appointments, meeting with clients, analyzing clients' information, making product recommendations and providing ongoing service. Agents help clients meet their estate, retirement and benefit needs through the insurance and financial products they offer. As a Penn Mutual representative; you will focus on providing financial solutions to professionals, business owners, high-net-worth individuals and their families. **Benefits of a career with The Guardian:** On-going training program, a mentorship program, a competitive compensation program and benefits package for new advisors, an emphasis on long-term relationship-driven approach to financial planning. **Requirements** Entrepreneurial spirit and desire to succeed Excellent communication skills incorporating high integrity and leadership skills Ability to attain appropriate Securities licenses in 8-12 weeks Life and Health License and Variable Life/Variable Annuity License Sales experience preferred but not required. **Career Opportunities: Financial Sales Representative**

U.S. Drug Enforcement Administration - (Unable to attend today) U.S. Citizenship required. Must be 21 yrs. old or up to 37 at appointment. We're the Federal Government law enforcement agency that has the responsibility of enforcing the drug laws of the Controlled Substance Act. **Special Agents** are criminal investigators who conduct complex investigations on drug traffickers and their organizations. Many of these investigations will take an agent to different areas of the United States and also to other parts of the world. Applicants must be in excellent physical condition, a college graduate with a 2.95 cumulative GPA, willing to relocate anywhere within the United States, pass a written exam, pass a panel interview, pass a drug screening examination, take a polygraph and psychological exam, pass a medical exam, pass a Physical Task Test, and a very in depth Background Investigation. Once an applicant passes all of these requirements, they could then be offered a job as a Special Agent. The DEA is currently in need of minorities and females who would be interested in an exciting career in federal drug law enforcement. We desire, however to employ only those individuals who are most competitive for the job as special agent regardless of their gender, race, or ethnic origin. **To learn more about this exciting career as a Special Agent visit: www.dea.gov. Contact Eldred Earls Office: 404-893-7122 email: Eldred.x.Earls@usdoj.gov**

U.S. Marine Corps - The United States Marine Corps serves as America's number one force in readiness and has been operational since 1775. The Marine Corps offers a wide array of jobs from combat arms and aviation, to journalism and music. Some of the benefits offered are leadership and technical skills, educational opportunities, physical fitness and self discipline. See a Marine recruiter today to see if you have what it takes to be one of the few and the proud! **Career Opportunities: Officer and Enlistment Careers**

U.S. Navy - Whether you're tired of your current job or ready to nab a career worth bragging about, the Navy has a vast array of fields and specialties. College-bound or still in high school, the Navy can create and customize a career path for you. And no matter which career you choose, it will come with competitive pay and world-class benefits only the Navy can provide. **Career Opportunities: Officer and Enlistment Careers, Medical Careers**

Waddell & Reed - We know how challenging it can be to find that perfect career: one that allows you to capitalize on your strengths and unique attributes fulfills your expectations and supports your aspirations. It may seem unlikely that one career can be all things to so many different people. But, at Waddell & Reed, it happens every day. We are a national financial services organization dedicated to serving the needs of individuals, families, businesses and organizations. We encourage you to make the most of who you are, what you have to offer and

how you can best use your talents to build a successful financial future for you and your clients. You pave your own career path. We simply provide the means - the tools, processes, support systems and products - to assist you. Whether you are a recent [college graduate](#), a [professional from another industry](#) or an [established financial professional](#), Waddell & Reed can help you apply your skills in an entrepreneurial, yet highly supportive environment where you can achieve success. **Career Opportunities:** [Financial Services Advisors](#)

Waffle House - Waffle House, Inc. is one of the largest restaurant chains in the country. We want Manager Trainees who can learn the systems and become promoted quickly. **Manager Trainees earn \$45,000 in first year; receive \$12,400 in stock after finishing 13 week training program, 3 weeks paid vacation, medical & dental coverage after 30 days.** We are a debt-free company, privately owned, and in business since 1955. We are currently looking for the future leadership of the company. **Career Opportunities:** [Manager Trainees](#)

Walden University - Walden University is an accredited institution with 40 years of experience offering online degree programs for working professionals. Walden University offers relevant and challenging curricula, a focus on real-world skills and knowledge, a convenient delivery for working professionals, a diverse learning community, and an award-winning student support team. Walden University's degree programs include bachelors, masters, and doctoral programs in the areas of education, business, psychology, healthcare, information technology, counseling, health and human services. Walden University faculty members are scholars, researchers, and distinguished professionals who bring to the learning experience a broad range of experiential and cultural backgrounds. **To learn more about Walden University's degree programs, call Tracy Leimbach at 404-285-7838 or email Tracy.Leimbach@waldenu.edu.** For a complete listing of career opportunities, visit <http://www.waldenu.edu/Careers.htm>.
