Prepare to stand out and shine today at the career fair! Diversity Hiring Expos invites you to experience the benefits of the “Professionally You Survey.” This is a FREE service provided by Diversity Hiring Expos to assist you in your professional job search. Your survey results will identify your strongest attributes and help you learn about hundreds of jobs opportunities (matches) where you are a natural fit and well suited to seek employment. Your results will assist you in representing yourself well to prospective employers. Go on line, complete the survey and get your result at today’s career fair when you arrive. If you complete your survey after the career fair your results will be emailed. Go to www.professionallyyou.com. Select the survey box at the lower left corner. Enter **User ID: dxpo2223**, **Password: charleston** (lower case) and complete the questionnaire form. All questions will require a response. It’s important that you call Bruce King at 678-698-6545 for additional unmarked results of your competency scores and an explanation of your job matches in order to best represent yourself to prospective employers.

Attention Charleston: IT Professionals with Security Clearances or with SCI with Poly are needed. An American multinational information technology company is hiring in Charleston and around the country. If you have these skills email your resume to jim@diversityhiringexpos.com or leave your resume at the registration table at today’s career fair for consideration.

T-Mobile – Be the Expert. Revolutionize Wireless. Welcome to the Un-carrier. T-Mobile is changing wireless for good and now we’re changing Customer Care for everyone. Roper St. Francis Healthcare For over 150 years, Roper St. Francis has been trusted with our neighbor's health because we believe that every moment of care is life-changing and that nothing matters more than moments with the people you love. We are the area's preferred healthcare provider with more families choosing us than anyone else. We have the area's only Magnet hospital, which is the nation's highest recognition of nursing excellence. And we continue to receive top national awards for patient, employee and doctor satisfaction. We have over 5,200 employees making us one of the area's largest employers. Our medical staff is made up of over 800 doctors representing every medical specialty. And our 657-bed system consists of 90 facilities and services in seven counties. **Roper St. Francis rewards exceptional performance and invests in supporting our staff. From nurses to technicians and administrative professionals, our employees share our commitment to putting patients first. We recruit and retain the most qualified workforce without regard to age, sex, race, religion, color, national origin, handicap or disability.** <http://www.rsfh.com/Careers/Careers.aspx>.

U.S. Postal Service – Requires U.S. Citizenship or permanent resident alien status – As the U.S. Postal Service continues its evolution as a forward-thinking, fast-acting company capable of providing quality products and services for its customers, it continues to remember and celebrate its roots as the first national network of communications that literally bound a nation together. Ours is a proud heritage built on a simple yet profound mission: Connect every American, every door, every business, everywhere through the simple act of delivering mail. This idea of universal service is at the heart of the \$900 billion industry that drives commerce, plays an integral part in every American community and remains the greatest value of any post in the world. This is the promise and potential of the United States Postal Service. The Postal Service delivers more mail to more addresses in a larger geographical area than any other post in the world. The Postal Service delivers to more than 151 million homes, businesses and Post Office boxes in every state, city, town and borough in this country. Everyone living in the U.S. and its territories has access to postal products and services and pays the same postage regardless of their location. *The US Postal Service operates entirely on the monies paid for services, and uses no tax money to operate. From first class to challenging careers, we DELIVER it all. We offer a diverse workplace with nationwide opportunities serving the public. Apply online at www.usps.com/careers! **Career Opportunities: Mail Carriers (City), Mail Carriers (Rural), Mail Handlers, Mail Processors, Window Clerks.
